## SYNOPSIS

“Kill Kunihide Kiyomaru, and I will pay you 1 billion Yen”. This is the ad placed in all the main newspapers in Japan. In placing the ad, the powerful multi-billionaire Ninagawa puts an irresistible price on the head of the man he believes to be his granddaughter's killer. Realising he has become a target for millions of people, Kiyomaru turns himself in at the Fukuoka Police Station. Four officers are dispatched to bring Kiyomaru back to Tokyo, risking their own life, but now any number of assassins lie in wait on the 1.200km journey. The trip becomes a hellish chase, with potential killers at every turn. Will the police get Kiyomaru to Tokyo to face justice, or will justice of a different nature prevail?

« Tuez cet homme et vous toucherez 1 milliard de yens de récompense ». Avec cette publicité parue dans tous les journaux japonais, le milliardaire Ninagawa met à prix la tête de Kiyomaru, l'assassin présumé de sa petite-fille. Des millions d'ennemis potentiels vont alors se dresser sur la route des policiers chargés d'escorter Kiyomaru jusqu'à Tokyo, transformant leur périple en une poursuite infernale et entraînant le spectateur au coeur d'un western urbain à l'issue incertaine...
